

## **First Industrial Realty Trust to Present at Deutsche Bank Securities 2008 Real Estate Outlook Conference**

January 4, 2008

CHICAGO, Jan. 4 /PRNewswire-FirstCall/ -- First Industrial Realty Trust, Inc. (NYSE: FR), a leading provider of industrial real estate supply chain solutions, today announced that it will be participating in the Deutsche Bank Securities 2008 Real Estate Outlook Conference on January 10, 2008.

Michael W. Brennan, president and chief executive officer, will be speaking on a merchant building panel at 10:15 a.m. EST.

A webcast of the panel discussion will be available on First Industrial's website at <http://www.firstindustrial.com> under the "Investor Relations" tab. A replay will be available approximately one hour after the discussion through January 31, 2008.

First Industrial Realty Trust, Inc. (NYSE: FR) provides industrial real estate solutions for every stage of a customer's supply chain, no matter how large or complex. Across more than 30 markets in the United States, Canada, The Netherlands and Belgium, our local market experts buy, (re)develop, lease, manage and sell industrial properties, including all of the major facility types -- R&D/flex, light industrial, manufacturing, and regional and bulk distribution centers. We continue to receive leading customer service scores from Kingsley Associates, an independent research firm, and in total, we own, manage, and have under development more than 100 million square feet of industrial space. For more information, please visit us at <http://www.firstindustrial.com>.

This press release contains forward-looking information about the Company. A number of factors could cause the Company's actual results to differ materially from those anticipated, including changes in: national, international, regional and local economic conditions generally and real estate markets specifically, legislation/regulation (including changes to laws governing the taxation of real estate investment trusts), availability of financing, interest rate levels, competition, supply and demand for industrial properties in the Company's current and proposed market areas, potential environmental liabilities, slippage in development or lease-up schedules, tenant credit risks, higher-than-expected costs, changes in general accounting principles, policies and guidelines applicable to real estate investment trusts, and risks related to doing business internationally (including foreign currency exchange risks). For further information on these and other factors that could impact the Company and the statements contained herein, reference should be made to the Company's filings with the Securities and Exchange Commission.
