This press release, and the presentation to which it refers, contain certain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, and Section 21E of the Securities Exchange Act of 1934. We intend such forward-looking statements to be covered by the safe harbor provisions for forward-looking statements contained in the Private Securities Litigation Reform Act of 1995, and are including this statement for purposes of complying with those safe harbor provisions. Forward-looking statements, which are based on certain assumptions and describe future plans, strategies and expectations of the Company, are generally identifiable by use of the words "believe," "expect," "intend," "anticipate," "estimate," "project" or similar expressions. Our ability to predict results or the actual effect of future plans or strategies is inherently uncertain. Factors which could have a materially adverse affect on our operations and future prospects include, but are not limited to, changes in: national, international (including trade volume growth), regional and local economic conditions generally and real estate markets specifically, legislation/regulation (including changes to laws governing the taxation of real estate investment trusts), our ability to qualify and maintain our status as a real estate investment trust, availability and attractiveness of financing (including both public and private capital) to us and to our potential counterparties, interest rate levels, our ability to maintain our current credit agency ratings, competition, supply and demand for industrial properties (including land, the supply and demand for which is inherently more volatile than other types of industrial property) in the Company's current and proposed market areas, difficulties in consummating acquisitions and dispositions, risks related to our investments in properties through joint ventures, potential environmental liabilities, slippage in development or lease-up schedules, tenant credit risks, higher-than-expected costs, changes in general accounting principles, policies and guidelines applicable to real estate investment trusts, risks related to doing business internationally (including foreign currency exchange risks and risks related to integrating international properties and operations) and those additional factors described under the heading "Risk Factors" and elsewhere in the Company's annual report on Form 10-K for the year ended December 31, 2008 and in the Company's subsequent quarterly reports on Form 10-Q. We caution you not to place undue reliance on forward-looking statements, which reflect our outlook only and speak only as of the date of this report or the dates indicated in the statements. We assume no obligation to update or supplement forward-looking statements. For further information on these and other factors that could impact the Company and the statements contained herein, reference should be made to the Company's filings with the Securities and Exchange Commission.
