### **Forward-Looking Information**

*This press release and the presentation to which it refers may contain certain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, and Section 21E of the Securities Exchange Act of 1934. We intend for such forward-looking statements to be covered by the safe harbor provisions for forward-looking statements contained in the Private Securities Litigation Reform Act of 1995 and are including this statement for purposes of complying with those safe harbor provisions. Forward-looking statements, which are based on certain assumptions and describe future plans, strategies and expectations of the Company, are generally identifiable by use of the words "believe," "expect," "intend," "plan," "anticipate," "estimate," "project," "seek," "target," "potential," "focus," "may," "should" or similar expressions. Our ability to predict results or the actual effect of future plans or strategies is inherently uncertain. Factors which could have a materially adverse effect on our operations and future prospects include, but are not limited to: changes in national, international, regional and local economic conditions generally and real estate markets specifically; changes in legislation/regulation (including changes to laws governing the taxation of real estate investment trusts) and actions of regulatory authorities; our ability to qualify and maintain our status as a real estate investment trust; the availability and attractiveness of financing (including both public and private capital) to us and to our potential counterparties; the availability and attractiveness of terms of additional debt repurchases; interest rates; our credit agency ratings; our ability to comply with applicable financial covenants; competition; changes in supply and demand for industrial properties (including land, the supply and demand for which is inherently more volatile than other types of industrial property) in the Company's current and proposed market areas; difficulties in consummating acquisitions and dispositions; risks related to our investments in properties through joint ventures; environmental liabilities; slippages in development or lease-up schedules; tenant creditworthiness; higher-than-expected costs; changes in asset valuations and related impairment charges; changes in general accounting principles, policies and guidelines applicable to real estate investment trusts; international business risks; and those additional factors described under the heading "Risk Factors" and elsewhere in the Company's annual report on Form 10-K for the year ended December 31, 2012 and in the Company's subsequent Exchange Act reports. We caution you not to place undue reliance on forward-looking statements, which reflect our outlook only and speak only as of the date of this press release or the dates indicated in the statements or the presentation. We assume no obligation to update or supplement forward-looking statements. For further information on these and other factors that could impact the Company and the statements contained herein, reference should be made to the Company's filings with the Securities and Exchange Commission.*
